

ASK NRA FOR INCREASED MILK PRICE

Dealers Demand Enforcement of Milk Code Against Low Price

As insurgent milk producers in McHenry county and adjoining areas began to withhold their milk Wednesday the Chicago dealers and the Pure Milk Association agreed to increase the price to be paid to the producers, passing on to the consumer a one cent raise per quart.

Fifty dairies in the north and west Chicago area selling milk at less than the code price of ten cents a quart were cited by Secretary Wallace the same day to show cause why their licenses should not be revoked.

Included in that list are two Arlington Heights stations one Mr. Prospect, two DesPlaines, two Niles Center, three Niles and one Tessville. This action came as the farm adjustment administration began a campaign to enforce government control of the Chicago milk market.

In agreeing to increase the price of milk one cent a quart and the passing of that increase on to the farmers, the distributors made it plain that they would not carry it out unless the agricultural administration at Washington strictly enforces the market code, which up to now it has failed to do.

A copy of the agreement for increased price was rushed to Washington yesterday in order to secure the sanction of the government at the earliest possible date.

Milk Strike Starts

There are several hundred milk producers in McHenry County who became impatient and unwilling to wait for the promised raise, entered upon a strike Wednesday and endeavored to withhold milk from their districts, by force if necessary. Arrangements against them are being made by officials and several thousand members of the Pure Milk Association. The sheriffs of McHenry and Lake county have agreed to give protection to the milk shipments, if it is asked.

Strike leaders declared they were "sick and tired of government red tape" and wanted a better deal. They have demanded the abolition of the "base and surplus" system of paying for milk and a flat rate of \$2.25 to \$2.50 for 100 pounds.

Top Price Now Is \$1.75

The highest price now being paid to farmers is \$1.75 a hundred, and that only for milk placed in bottles for retail sale. That used for other purposes is classed as surplus and the return to the farmer on it is only 85 cents or thereabouts. The net result is that the average return on milk sent in under the agreement is around \$1.25.

It is expected that the increased price agreement will remedy the farmers' condition to some extent but will not afford relief like that demanded by the strikers.

At present, with fluid milk retailing at 10 cents a quart, the farmer is getting about 3.75 cents, the milk wagon driver about 3.2 cents, and the distributor approximately 3.05 cents. From his share the distributor must cover the costs of transportation from the country receiving station, the price of bottles, the cost of pasteurizing and all overhead except the delivery labor.

Would Raise Farmers' Share

The new agreement contemplates raising the return to the farmer on milk sold in bottles to about \$2.05 a hundred. Actually a cent a quart would mean an increase of about 46 cents a hundred, but the fact that some fluid milk is sold in bulk to restaurants, hotels, etc., cuts the increase to about 30 cents.

In addition, it was agreed that bulk cream would be more largely purchased in this area—that of the Pure Milk association membership—and at an increased price. The raise in cream prices would vary according to butterfat content, with 40 per cent cream being raised 20 cents a gallon.

Public Service Company Reports Good Success In Gas-Heating Campaign

Encouraging evidence of a pick-up in buying interest was furnished last week with the news that the gas house-heating campaign in the Chicago area, backed by an aggressive newspaper advertising campaign, had resulted in the sale of more than 6,000 gas-heating installations in the first six weeks of the campaign.

The 6,032 mark was passed with three days yet to go in the sixth week, indicating a weekly average of more than 1,000 sales.

Gas utility companies of northern Illinois, including Public Service Company of Northern Illinois, Western United Gas & Electric Company, and Peoples Gas, Light and Coke Company, recruited a staff of 270 salesmen for the campaign, working under the direction of 55 heating engineers who check original estimates to make sure that the gas-heating installations accurately conform to the needs of the homes served.

Town Football Practise Starts This Evening

The Arlington Heights town football team is in the progress of organization and will hold its first practice at the Red Wing ball park this Friday evening. Dr. Fanning, of Barrington, will coach the team and asks every man who enjoys playing football, to put in an appearance and wear uniform.

The village has had a lot of enjoyment the past season with baseball and it is now football's turn says Doc. Schedule of games depends upon the response of the players to this call.

ARLINGTON GRADUATES TO COLLEGE

Nine of '33 Class Enroll for Higher Education; Four Others Also

The general impression seems to be that freshman classes in college and universities are becoming smaller all the time and that young people are not going on to college. This may be true in some cases and localities, but it would seem that it does not hold true in the case of graduates of the Arlington Heights Township High School. Inquiry at the office of the high school reveals that requests for filing of entrance credits to college and universities have been heavier than usual this year.

From the class of last year (1933) Raymond Albrecht goes to the University of Chicago. William Busse, Jr., Fred Gieseke, Jr., and William Rateike will attend Valparaiso University at Valparaiso, Indiana, as will also Miss Gertrude Moehling, of the class of 1931. Miss Doris Crofoot decided upon Eureka College, at Eureka, Illinois; Miss Mary Tagge goes to the Northern Illinois State Teachers College, at DeKalb, Illinois and Miss Marjorie Thoren to North Park College, in Chicago.

Miss Elvira Landmeier enrolls in the Walton School of Commerce in Chicago, and Miss Marion Wydra begins her nurse's training course at St. Joseph's hospital. Miss Alma Schroeder of the class of 1931, is another who starts her nurse's training this year. Miss Schroeder will be in the Luther Memorial hospital. Miss Anne Allen is another of the class of 1931 who is going on to college; Miss Allen will go to the University of Illinois at Urbana, Illinois. Robert Mors of the class of 1932 is selecting Lewis Institute as the most suitable place to continue training.

If we have missed any, it has been because we were not fully advised of their plans. The Cook County Herald takes this opportunity to congratulate these young people on their purpose and efforts to continue their educational training and to wish them the highest success and achievement in their college courses.

Class Memorials of '32 and '33 Are Put In Place

Two more things were added to the long list of class memorials which decorate the building and grounds of the Arlington Heights Township High School this week when the class memorials of the classes of 1932 and 1933 were received.

The memorial for the Class of '32 is an all silk American flag with cord, fringe, staff and mountings. The flag is four feet by six feet and the polished staff carries the memorial plate of the class.

Two large gymnasium mats represent the contribution of the Class of '33. A bronze memorial plate to be mounted on the wall of the gymnasium carries the numerals of the class and a tribute to their deceased classmate, La Verne Olsen, in whose memory the award is made.

The practice of graduating classes leaving memorials began in 1924 when the class of that year left as its contribution stage equipment. The class of '25 left a flag pole; class of '26 paintings. The four entrance pillars at the Euclid avenue entrances to the high school grounds bear the memorial plates of the classes of '27, '28, '29 and '30. A fund is still available from the class of '31.

Its "Dog Heaven" Time For Many Canines About the Village of Palatine

"If you have a dog that you want to keep, get him a dog tag before next Monday," that is the warning that has been issued this week by the Palatine police department, which has been very lenient the past summer. Ordered to enforce the ordinance, they have nothing to do but to open the gates to dog heaven of any animals who are without a home.

Even the members of the Palatine Business Men's Association, under whose auspices the Fall Festival is to be held Saturday and Sunday, Sept. 16 and 17, did not fully realize until Wednesday evening just how good that festival is going to be. As the final reports were given by the various committees and the program began to unfold before the eyes of the association, its members became more and more enthusiastic and if the general public gets an inkling of the good things in store for them, there will be a tremendous crowd at Palatine Saturday and Sunday afternoons and evening.

Best of Garden Products The exhibits are in the hands of separate organizations, each of which is doing its utmost to make its share of the festival a success. The business men are soliciting garden and field products which will be placed on display in the store windows. These products must be in place by ten o'clock Saturday morning when the judging will begin.

PALATINE FALL FESTIVAL IS ON SATURDAY

Exhibits and Entertainment All Free; Program Is Better

Even the members of the Palatine Business Men's Association, under whose auspices the Fall Festival is to be held Saturday and Sunday, Sept. 16 and 17, did not fully realize until Wednesday evening just how good that festival is going to be. As the final reports were given by the various committees and the program began to unfold before the eyes of the association, its members became more and more enthusiastic and if the general public gets an inkling of the good things in store for them, there will be a tremendous crowd at Palatine Saturday and Sunday afternoons and evening.

Best of Garden Products The exhibits are in the hands of separate organizations, each of which is doing its utmost to make its share of the festival a success.

The business men are soliciting garden and field products which will be placed on display in the store windows. These products must be in place by ten o'clock Saturday morning when the judging will begin.

The Palatine Garden club has secured the vacant Kebe and Miller store for the display of flowers, and individual quilt display. The general exhibit of fancy work and relics will be held in St. Theresa hall under the auspices of the girl and boy scouts. These exhibits will be protected during the entire period of the show and owners need have any fear regarding their property.

Entertainment Program The entertainment program is varied. There will be two afternoons of sports, including farmers and town teams ball games and a football game between Niles Center and Palatine high schools.

As feature entertainment, there will be a water fight between Oscar Weide and Otto Gaare at 1:45 Saturday at the high school grounds, while the following evening there will be a spectacular show put on by the fire department at the corner of Chicago and Plum Grove avenues. You people who have always wanted to see a real fire and enjoy all the thrills that accompany a rescue, with pumpers throwing heavy streams of water, should secure places of vantage by eight o'clock that evening.

Evening Programs

The evening programs will consist of band concerts, community programs and dancing. Two orchestras will be present Saturday evening and the prize drawings will take place at 11 o'clock each night. Tickets are free but are obtainable only at the independent stores as shown on the full page announcement on page eight of this issue.

Churches to Recognize Festival Announcement was made at the meeting Wednesday that the pastors of the several churches in Palatine will include in their talks Sunday morning some remarks concerning the harvest season.

Police Protection

While there will probably be no need for policemen in the common acceptance of that word, there will be many special officers on duty in direct traffic. The central business district will be shut off at six o'clock both evenings. Parties who usually park their cars for long periods are asked to remove them from the district by that hour.

Saturday evening, the community program will be on South Bothwell street; modern dancing on North Bothwell street and old time dancing at the Schoppe corner.

Sunday evening, the program will be given in front of the Mess & Langhorst market with the dancing on Brockway street, south of the railroad.

This festival is not alone for Palatine people and the entire countryside is invited.

WIN OR LOSE? This Winter Will Tell the Story

Has it ever occurred to you that there is a POSSIBILITY that President Roosevelt can be this Country's LAST PRESIDENT? NO NATION, MONARCHY OR DEMOCRACY, can exist AFTER THE HOPE AND THE HEALTH AND THE HAPPINESS OF ITS WORKERS HAS PERISHED.

There are, today, over twelve million homeless, hungry and despondent Americans out of a job and with more than twice that number of equally hopeless dependents. The great majority of these poor hapless human derelicts have not earned a living for a year, two years, three years and even longer.

WHAT ARE WE, AS CITIZENS, GOING TO DO ABOUT IT?

Fall is here, Winter will be with us in a few short weeks, the most horrid and devastating winter in the history of our Country.

Someone said to President Roosevelt not long ago: "Mr. President, if your program is a success you will be acclaimed the greatest President this Country has ever had. On the other hand, if it fails, you will have been the worst."

To which the President quickly replied, "Wrong: If it fails I won't be the worst President, I'll be the last."

Our President, and his Cabinet know just how serious the situation is and you are only kidding yourself if you think you can sit tight at home and let the other fellow worry. GET WISE TO YOURSELF . . . NOW . . . and put YOUR shoulder to the wheel—remember—one man can't do it all, and if it comes to a showdown—why should he?

This country can win out, sure it can, but not just because you sit on the back porch and say to your neighbor "Sure, we'll be O. K. in another three months, we've had depressions before and lived through them." Instead of this, get up and go out and DO SOMETHING ABOUT IT.

A lot of us are saying that good old N.R.A. will solve all our problems, maybe so brother, maybe so BUT . . . NOT UNTIL EVERYBODY GETS RIGHT BUSY AND DOES SOMETHING WILL THINGS BEGIN TO REALLY P—O—P. No one ever got anything for nothing yet—that was any good.

Remember the President's reply and . . . CUT OUT THE BALLYHOO AND . . . GET BUSY.

LAST RITES HELD FOR A. F. JAHNCKE

Mount Prospect Mourns Loss of Prominent Citizen

Funeral services for Alfred F. Jahncke, one of Mount Prospect's highly esteemed citizens, who passed away September 7, at his home, 212 South Emerson street, were held Sunday at the St. Paul Evangelical Lutheran church, Rev. J. E. A. Mueller, officiating.

Mr. Jahncke was born March 9, 1874, at Chicago, where he resided continually until 1907. On March 31, 1907, he was united in marriage to Martha Glade. A daughter, Mrs. Ray Flesch, and a son, Richard, were born to this union.

Mr. Jahncke, in addition to his widow and children, is survived by two sisters residing in Chicago, Mrs. Emma Withans and Mrs. Fria Trapp.

After residing in Palatine for six years, during which time Jahncke was employed at Marshall Field & Co. in Chicago, he moved to Mount Prospect in 1913, where he established a general merchandise store on the site of the present residence of the family. The store was discontinued a number of years ago.

During his residence in Mount Prospect, Mr. Jahncke was a member of the St. Paul Evangelical Lutheran church. Although Mr. Jahncke devoted his interest chiefly to his home and family, his business, he was also active in promoting the welfare of the village. From 1922 to 1924 he was a member of the Village Board of Trustees. His prominence in the political history of Mount Prospect was further demonstrated as one of the founders of the Progressive Party, and was elected its first president. Mr. Jahncke's departure not only marks the loss of a man devoted to his home and family, but the absence of a loyal supporter of the village and community interests.

Burial was held at St. Paul's cemetery, Mt. Prospect. Pallbearers were: R. Kruse, J. W. Pohlmann, Henry Mensching, Charles Duwe, H. Kieper and W. Eichler.

Hundreds of Local Business Men Sign NRA

A survey made during the last few days by a representative of the associated newspapers published by H. C. Paddock and Sons, reveals that a large majority of the merchants in the towns northwest of Chicago have pledged themselves to abide by the President's code and are now operating their businesses under the banner of the Blue Eagle. While quite a number have not yet signed up, the majority of these are abiding by the rules just the same, but are waiting for their own codes to be straightened out in some of the minor details.

Most of the business men seem to be quite jubilant about the prospects for a speedy recovery to normal times and our impression returned with the approval of better times just around the corner. While prices are going up on the new merchandise in order that the manufacturers can hire more help and pay better wages there are still many bargains in the various stores and it will not be long before the monetary cycle is completed and some of the new wages are in complete circulation. Better times ARE coming.

Chicago Moves To Extend Day Light Saving

With favorable action taken by the Chicago city council at the request of A Century of Progress officials, daylight saving time is to be extended in that city until the first Sunday in November. Otherwise it would end Sunday, Sept. 24. With Chicago giving the orders, the railroads maintaining their present schedules a month longer, there will be nothing for the suburbs to do but to follow suit and get up before daylight for that period.

IMPROVEMENT WILL EMPLOY FIFTEEN MEN

Drainage Work Starts on Buffalo Creek Soon

Henry Grandt, Sr., John Welinske, A. O. Rockenbach, Commissioners, Wheeling Drainage District No. 1, announce that they have complied with the wishes of the President by finding work on old Buffalo Creek and the artificial ditch which comprise the system of open drainage of Wheeling Drainage District for fifteen men who are now in the relief rolls of the county.

This was made possible by the securing of funds from the Illinois Emergency Relief Commission, which commission repays the District each week for payroll advanced during the prior week. The District, however, itself must stand the expense of a foreman and the necessary transportation of the men which, however, is amply justified since the labor of the men from the relief comes at no cost to the District.

The Commissioners would be happy to continuously employ only Wheeling Township relief men but this is not possible because there are not enough men on relief in Wheeling Township to cover all of the shifts required by the Relief Commission.

Since there still remains Main District assessments that are uncollected including assessments for annual repairs which have accumulated since 1927, bills for which shall soon be mailed to the respective landowners, this emergency work has proven to be a boon to the District as well as to the unemployed for without such work could be done on the District at this time. At such time when these delinquent assessments are paid the commissioners will use the same for other necessary work such as tile repairs, etc., under the direction of the County Court.

The Commissioners wish to publicly express their appreciation of the efforts of County Commissioner Homer Byrd, Illinois Emergency Relief Director, Dr. Bickham and his Engineer, Mr. King, through whom this work has been made possible.

Henry Grandt, Sr., John Welinske, A. O. Rockenbach, Commissioners.

Business Men Plan New Bank At Naperville

A new national bank is planned in Naperville to meet the needs of that community, which has been without a bank for many years. Since the national bank holiday last March closed both the First National and Reuss State banks. The First National has been operating under a conservator since, with restricted facilities for meeting payrolls of the factories, North Central college and the schools.

New deposits are said to total \$200,000 since the holiday and to demonstrate that the 6,000 persons residing in or near Naperville have use for a bank, with the nearest banks, centers in Aurora and Wheaton.

Business men, headed by County Judge W. G. Knoch, initiated the organization plans at a mass meeting recently. Other members of the committee were H. C. Williams, Thomas Finkbeiner, W. S. Fredenhagen, Mayor Alexander Grush, John Book, F. W. Boebel and Supervisor Adam Kohley.

A later mass meeting was called by the committee to which 250 citizens turned out. A group of 70 agreed to make a house to house canvass to seek the sale of 1,000 shares of stock to be priced at \$65 a share, \$50 for capital, \$10 for surplus and \$5 for reserve.

When the fund has been fully subscribed, the National bank department must approve the plan and personnel of the new bank's officers. According to the present plans, 40 per cent of the old deposits will be liquidated through the new organization by collections on assets since the bank holiday, acceptable assets of both institutions and an R. F. C. loan to each institution, secured by slow assets. Fifty per cent of the stock was subscribed immediately.

Palatine Business Men Vote Membership to First Woman Applicant

Members of the Palatine Business Men's Association at their meeting Wednesday night gallantly arose in their places as they cast a unanimous vote accepting into full membership the first applicant of the opposite sex. It was a rather unusual proceeding and secretary Uhrhammer blushed a little as he read the application. To the chorus of "why not" the necessary motion was made.

The honored member is Mrs. Jessie Schroeder, beauty expert. Al Collignon suggested that perhaps it would not be a bad idea to have "Jessie" give a few beauty talks to the men folks—they need it, anyway.

CLOSE GRID RACE PREDICTED IN NORTHWEST H.S. CONFERENCE LOOP

Palatine Meets Niles Center in Non-Conference Tilt There Saturday; Arlington Heights and Bensenville Also Must Build Up Strength

HOME TALENT PRODUCTION A BIG HIT

Audience Applauds "The World's All Right;" Repeated Tonight

Judging from the enthusiastic ovation that the audience gave last night, the cast in the "World's All Right" certainly put the show over the top. From the opening scene, which was the snappy "Smile" chorus to the patriotic finish of the Stars and Stripes, every member of the family, spent a white while evening.

Hal Young, as the versatile and incomparable master of ceremonies, and radio announcer, and Mrs. Puffer, his charming sweetheart, gave the audience many a laugh with their clever impersonations. Joe, the office boy, portrayed by Jimmy Kellogg and Norma Meyers as Gertie Green, put on one of the most colorful and successful high spots of the entire show with their interpretation of "Darktown Strutters Ball."

The side splitting pantomime of the old song, "Frankie and Johnny" with Jimmy Bown as Nellie Bly, Dr. Bauman as Johnny, Harold Peter as Frankie, and Otto Bolte as Smokey Joe, took the house down with their "exaggerated" movements. Jack Everett as Hiram and Bob Blackburn as Si, the interpreters of "this here Melle-dramy" were most capable, to say nothing of the square dancers, Bill Franke, Mr. Reese, Herbert Reinshagen and Mr. Lauterburg, who certainly tripped the light fantastic in great style.

Mrs. Edith Atkinson made a delightful and charming tell-me-a-story lady, who kept the little children entertained in the Children's Hour. Miss Esther Ellerbrake's lovely voice was enhanced by the picturesque scene of the minut and old fashioned garden member.

The quartette composed of Davis, Elfeld, Briggs and Costaine, offered an amusing rendition of the old favorite railroad ditty "Casey Jones" and the favorite "Mamie Riley."

Mr. Ward as Skipper Ericson, gave the audience a very pleasing performance in his song, "Ships That Never Come In."

Judge Koppin in his one minute speech, certainly proved to the audience that "The World Is All Right" in true "high pressure" style.

Mr. Barrett, as the big pickle owner, Mr. Dinkel; Mr. Heidorn as the bill collector and Mr. and Mrs. Daggett as the mother and father proved to be very capable actors.

One of the most unusual and effective features on this radio program was the vested choir in which the prominent singers in town were participating. Mr. Grose gave his reading in a very commendable manner.

No small credit is due to the high school girls who put the beauty, pep and snap into the show with their song and dance.

The characters in the Stars and Stripes revue gave the production a finish that both thrilled and awed the audience. Those taking part were:

Uncle Sam—Charles Paddock.
Columbia—Mrs. Mundy.
Hero of North—Dr. Hill.
Hero of South—Gene Heller.
Mother of Blue and Gray—Mrs. Pate.
Revolutionary Soldier—G. Shimming.
Two Soldiers of A. E. F.—Ray Atkinson, Les Moody.
Two Sailors—Don Thal, Carlyl Jahrling.
Red Cross Nurse—Dorothy Helm.

The public will be given a second chance to see this smash hit production and shake off "Old Man Depression" to night at the high school auditorium at 8:15. Reserve seats may be purchased at Sieburg's drug store today.

Come on and find out "Why the World's All Right."

FALL BARGAIN FESTIVAL AL BEINGS AT HAGENBRINGS

The September coupon sale at the Hagenbrings 5c to \$1 store at Arlington Heights has even greater bargains than ever in spite of the general raise in prices. The coupons telling of those bargains will be found on page 8 of this issue. Look them over.

Palatine High will be the first conference school to test its grid strength when the Pirates take on Niles Center at Palatine Saturday afternoon as a part of the annual Fall Festival. The game will be free and should be close as the visitors are only playing their second year of football.

Coach Megel is far from optimistic concerning the outlook for his gridsters this season. As usual he has a very green supply of football timber and aside from two or three boys the squad is unusually light in weight. The greatest encouragement is in the fact that 38 boys are out for the sport, indicating greater student interest than last season.

The Pirate backfield will be manned by veterans, but the line will present many problems for Megel and Vervolov to solve. For Megel, DePue, Krambler and Tudman, Palatine will have a backfield quartet averaging 150 pounds and with considerable conference experience. It is in the line that the holes appear as only Hinrichs, veteran 185 pound tackle and Philbin 150 pound end, have had varsity experience.

Megel thinks that the success of the team will be determined to a great extent by how fast the new men develop and whether they show the fight that will be necessary in the line to open holes for the veteran backs. Among the new players who are showing greatest promise in the fight for varsity positions are Gaare, 240 pounds guard; Kruse, 160 pound center; Nelson, 160 pound guard; Neagle, 150 pound end; Engkeling, 150 pound guard; Drewes, 170 pound guard and Mangels, 140 pound quarterback.

Last season the Pirates took one victory in six conference contests. Prospects this year, rate about the same though there appears to be less veteran material in most of the other schools than was the case in 1932. Megel looks for Warren to be one of the toughest opponents on his 1933 schedule with Arlington not far behind.

Megel plans to select a team captain for each game and this honor will no doubt be rotated among the experienced players. The Pirates face a schedule of eight games on successive week-ends.

Arlington Has Six Veteran Backs

Coach John L. Grose faces about the same sort of problem at Arlington that is causing apprehension at Palatine. The Heights mentor has six veteran backfield men but lacks strength in his forward wall. Five lettermen are available for work in the line but only Helm, 165 pound guard and Klehm, 145 pound guard, have had much experience. Other linemen who are being depended upon are Bird, Long and Gieseke, but this trio average only 135 pounds.

In carrying duties Coach Grose feels that his most valuable man was lost by graduation in quarterback Hauff. Hauff swamped Palatine single handed by his long runs and for several years he has been the brains of the Arlington team.

An expert quarter cannot be developed over night and Grose feels that his prospects are much poorer than 1932 when the Cardinals took five victories and a tie in seven starts.

Grose will have several weeks to whip his hopefuls into shape as Arlington does not meet its first opponent, Warren, until October 6, but this may be the hardest contest on the schedule. Other games which loom as standouts are those carded with Libertyville and Leyden. Ray Chambers is assisting Grose with his grid duties this season.

Bensenville is preparing for the 1933 grid campaign with a squad of 25 players and five lettermen. Coach W. A. Johnson thinks his prospects are about the same as last year when his eleven turned in two wins, three defeats and a tie.

Christensen, center; Smull, end; Koske, half back; Patzke, full back; and Jennings, half back are the veterans. Smull will captain the team this year.

Hunts Northwest Hwy. On Otto Freeman Farm

J. A. Driscoll of Dixon, Ill., driving a Buick car that took ditches and surmounted without such obstacles as fence posts and barb wire was hunting for the Northwest Highway early Tuesday morning upon the Otto Freeman farm. Neighbors went to his rescue and told him that he was hunting about three miles too far south.

POLICE DEPT. TO GET NEW FORD CAR

Village Board Discusses Repairs to Play Ground Equipment

The Village Board met Tuesday evening in an adjourned session of the regular September session, for the purpose of considering the bids which had been received for the new car for the Police Department. At the regular meeting held September 5, bids were received on Ford, Pontiac, Plymouth and Chevrolet cars. A decision was reached at the adjourned meeting to accept the proposition of R. F. Huecker on a two-door Ford V-8, for which the bid was \$611.50, with a trade in allowance for the old Pontiac and the older Ford truck. The Board is considering the trade-in, and the need of a truck for the Village and will either have the old Ford truck repaired, or have the Pontiac fixed over to use as a truck. The new car will be delivered within a few days, after being painted with the Police Department lettering and being equipped with a siren. It is intended to use the new car for night patrol, and for winter driving, when the motor-cycle is ineffective or impossible to use.

Consideration was also given by the Board to the need for repair of the playground equipment on the playground on Busse avenue. A suggestion was made that the Village turn over the equipment to the Christian Day School for their use and maintenance, on the basis that it would be of more use to the children of that school if it were installed on school property, rather than on the private property across from the school where it is now located.

Water Tank Repaired

A report was made by Greenlee Construction Company, concerning repairs which are about completed on the water tank. The repairs made consist of cleaning and painting the inside of the tank, painting the outside of the tank and the supporting framework, and repair of the pipe and frost jacket. This work has been done without shutting off the water supply, although for two days there was no water in the tank. Service was maintained by keeping water in the pipe, which required close watching of the operation of the pumps. The tank is again filled completely with water and full pressure is available.

Our Churches

Community Church
The regular quarterly meeting of the Mount Prospect Community Church will be held in the public school on Thursday, September 14, at 8:30 p. m.

The policy of the church for the coming year is to be determined at this meeting and it is of extreme importance that a large attendance be present. L. G. Johnson, moderator, announces.

St. Paul Ev. Lutheran Church
Rev. J. E. A. Mueller, Pastor
Thursday, Sept. 14, regular meeting of the Ladies' Aid at the St. Paul Ev. Luth. school.
Friday, Sept. 15: Announcements for communion at the parsonage.
Sunday, Sept. 17: Service in English. Preparatory service at 10:00 a. m.; Communion service at 10:30 a. m.

V. F. W. Ladies' Auxiliary To Meet at Home of Mrs. Schramm

The next meeting of the Ladies' Auxiliary to Prospect Post No. 1337, Veterans of Foreign Wars, will be held at the home of Mrs. Arno Schramm on South Emerson street. Come and help plan the fall and winter program. The V. F. W. club house dedication will be one of the discussed features along with many more as interesting. Come and plan a large party for the Elgin treat. Meeting Friday, Sept. 15, at 8 p. m.

Election of officers will be held the first Friday in October. It is the duty of each member to attend and vote.

Women's Circle To Hold Annual Picnic Sat. in Forest Preserve

A picnic, sponsored by the Women's Circle of the Mount Prospect Community church, will be held on Saturday, September 16, at the Elk Grove Forest Preserve. Arrangements for the picnic have been completed by a committee under the direction of Mrs. Paul Jonas. Basket lunches will be in order while coffee will be furnished by the committee.

Those who desire to participate are requested to meet at the Community Hall, Mount Prospect at 2 o'clock Saturday afternoon. All members of the Mount Prospect Community church and Sunday school, and their friends, are invited to attend.

Camp Fire Girls To Initiate New Members

The Mascouten Camp Fire Girls had a lovely and enjoyable evening last Thursday, making smoke prints. Several of the girls earned honor beads for making ten successful prints of the leaves. This was an entirely new art to many of us.

This week Thursday we will have a business meeting at the Community Hall at 7:30 o'clock sharp. After the business is dispensed with, we will initiate our new members. This will be fun for all, so you will want to attend.

V. F. W. Notes

Comrade Henry Honack, V. F. W. Liaison officer at the Edward Hines, Jr. hospital, died last week Monday and after the ceremony by the members of Veterans of Foreign Wars last Thursday afternoon in Chicago, his body was sent to Washington, D. C., to be buried in Arlington cemetery. Comrade Honack had been a victim of that horrible and dreaded gas during the World War.

Parents Should Provide Heritage For Children

Rev. Cannon in Sun. Sermon Urges Worth While Purposes

The Community church service last Sunday was of special interest because of the announced subject of the sermon delivered by Reverend H. R. Cannon, and the Community Hall was filled. The subject was very timely, as attention is being given at the present time to the children and their education, as they start in the school work of the year, and start again in the work of the Community church Sunday school.

Reverend Cannon talked on the subject, "Princes in the Earth," and discussed the problem of character building, and the responsibility of parents and of teachers. He pointed out that in the last few decades our attitude has undergone a great change, as we have ceased to be ancestor worshippers and have become child worshippers. In the Orient people are still ancestor worshippers. It was pointed out that "It is only where the spirit of Christ has pervaded men's minds that the importance of the child has been realized, in the understanding of the teachings of Jesus concerning children of such are the Kingdom of Heaven."

The message given by Reverend Cannon was a challenge and at the same time an inspiration to parents and teachers. It was a reminder of the duty to childhood in the serious consideration of the guidance of the formation of habits and the building of character. It was one of a series of sermons, which will be continued through the month of September.

AMERICAN LEGION

Special refreshments at next meeting Monday, Sept. 18, school basement. At this meeting nominations for the following offices will be held: Commander, first vice commander, second vice commander, third vice commander, historian, chaplain, sergeant-at-arms and delegate to Cook County council; also an alternate to Cook County council. The first meeting in October will be election and the installation will be held October 16 at the Northwest Hills Country club. It will be an open installation and the entire public is invited. Don't miss this as you will have a pleasant evening without any cost.

Our annual dance has been set for Saturday evening, Nov. 11, which is Armistice night. You, who have attended before, know our dances are the finest held each year and this one we feel sure is going to be even better. The price will be fifty cents per ticket, all members will have tickets early in October.

We want to give the people of Mount Prospect a sketch of the main events of the Legion National convention that will be held in Chicago Oct. 2 to 5. The affair really gets going Sunday, Oct. 1.

On Monday morning the opening session will be held at the Stadium on Madison street. The distinguished guests will be some of the world's outstanding people, among them President Roosevelt, who will speak around 12:30 or 1 o'clock. On Tuesday comes the big parade and this will be the largest parade ever held here or anywhere else, by the Legion or any other organization. From present indications it will take ten hours to pass. The parade starts at 9 a. m., just north of the river on Michigan avenue, goes south to Jackson boulevard and then east to Leif Erickson Drive and south to Soldier Field. The reviewing stand is on the left side of Soldier Field. They pass over north entrance and disband shortly after. Seats in Soldier Field sell at \$1.00 for adults and 25 cents for children. All school children in Chicago will have a hold on Tuesday and many business houses will also close. On Wednesday sessions of the convention will be held in the Chicago Civic Opera House, and on Wednesday evening one of the finest affairs will take place and that is the Drum and Bugle Corps final contests at Soldier Field. Final business session of the Legion is held on Thursday at Civic Opera house. There are many other special features such as the Italian government special opera, and the Military Ball at Naval Armory.

The Legion expects their best year in 1934 and hopes to have one million two hundred thousand members. The Auxiliary hopes to have seven hundred and fifty thousand members.

Don't forget the dates, October 16, free installation at Northwest Hills Country Club; November 11, Armistice Night Dance, Northwest Hills Country Club.

American Legion Auxiliary
A large attendance of membership was gathered at the home of Mrs. June Lamprecht for the September meeting of the American Legion Auxiliary.

A very interesting report on the convention was given by Mrs. Ruth Carlson. The annual luncheon held at the Union League club was reported on by Mrs. Florence Luckner. Mrs. Chas. Verret accompanied by Mrs. Ann Bernhard, are visiting Edward Hines, Jr. hospital distributing cigarettes among the boys there and then writing letters for those boys unable to do so themselves.

Bridge Keno was played after the business, prize going to Mrs. Frances Gould, then dainty refreshments completed a well spent evening.

Mr. and Mrs. E. M. Luckner attended their bridge club meeting on Saturday evening at the home of Mr. and Mrs. C. Bezio in Chicago.

Mr. and Mrs. J. Bernhard attended the installation of Belmont Park American Legion post on Friday evening.

WHEELING

Mr. John Behm of Milwaukee visited relatives here last week. Miss Frances McComb of Lima Center, Wisconsin, called on friends here last Wednesday. Miss McComb is finishing a three year training course at Michael Reese hospital this month.

Wheeling public school opened with a good enrollment last week. A total of 141 pupils were enrolled in the four rooms. The teaching staff for 1933-34 are Miss Bertha Keith, principal and 7th and 8th grades; Miss Adele Richman, 5th and 6th grades; Miss Elizabeth Bray, 3rd and 4th grades and Miss Christoferson, 1st and 2nd grades.

Mr. Marshall Bailing returned to his duties at the bank after spending his vacation with his brother in California.

The water supply on N. Milwaukee avenue was cut off on Sunday evening by a broken main just north of Dundee road. Repair work was handicapped by the rain and the position of the main under the pavement. However, workmen were kept on the job almost constantly until the leak was discovered and repaired. The main was found to be cracked completely around a section of the pipe, caused apparently by the constant jarring of heavy traffic.

Drive for NRA Signers To Start Next Week

The Drive for Consumer signers for the NRA will be made during the next few days. The canvass will be under the direction of the local Association of Commerce, and in cooperation with the post office department. The local Postmaster, Mr. L. E. Hodges, has the instructions from Washington, and reports will be made through the Department of the results of the drive. The actual canvass will be made by the Boy Scouts, under the present plan, and their work will be sponsored by the business men.

The business men of the Village have signed up 100 per cent with the NRA and they are anxious to have the Village 100 per cent on the consumers list also. Anyone missed in the canvass may obtain the card and the blue eagle at the post office.

The Postmaster, Mr. Hodges, is advertising this week, and until September 23, under instructions from Washington for bids for the Postoffice messenger service. This is the job of carrying the mail to and from trains and running other errands, and the Washington office requires a new contract periodically, which must be let from bids received after proper advertisement.

FARMERS HAMMER WHEELING HURLERS FOR 13 TO 4 VICTORY

The Wheeling fans saw their home team get beat for the second time by the Prairie Farmers by a score of 13 to 4, to make it the 5th straight victory.

Frank Kue, the Farmers' Ace hurler, held Wheeling in check, while his teammates pounded three hurlers all over the lot.

Les Douglas, the Farmers' left fielder, connected for two hard smashes for a home run and a triple. M. Milo, the Farmer's hard working catcher, also connected for a three base smash.

Besides good hitting, the Farmers' infield also played a marvelous game in the field.

Light and Sound

The bureau of standards says that light and sound are not fundamentally related. Light is produced by the action on the retina of radiant energy of frequency from 400 to 750 million vibrations per second. Sound is produced by the action of pressure changes on the eardrum of frequency from 16 to 20,000 vibrations per second.

Dr. Pfaff Introduces His Successor

Dr. Earl K. Pfaff wishes to announce that his successor, Dr. Norbert Leckband, is permanently established in Dr. Pfaff's office at corner of Dunton and Campbell streets.

Dr. Leckband is ready to serve Arlington Heights and community to the best of his ability, and he is a well qualified physician and surgeon of several years experience. He is a graduate of the University of Chicago and Rush Medical College. His experience in industrial surgery includes the management of hundreds of accident cases at Inland Steel Mills and on the Mesaba Iron Range in Northern Minnesota.

Dr. Pfaff's practice has been largely industrial surgery and he feels Dr. Leckband is exactly the right man to succeed him in this line. Dr. Leckband has also been doing a large general and obstetrical practice in Buhl, Minn., which required conscientious attention at all hours and he wishes the community to know he will give the same care to his patients here in their homes, in his office or in a hospital as they prefer.

Mrs. Leckband is a registered nurse, with post graduate training in obstetrics at Chicago Lying In hospital and will be a valuable aid to her husband in this line of his work.

Dr. Pfaff wishes to thank his many friends and patients for their loyal patronage and bids them look him up when they come to Sunny California. He is delighted with the hospital he is leasing in San Bernardino, California and will return for Mrs. Pfaff, her mother and his car soon, returning to California permanently about Oct. 1.

HIGHWAY NOTICE

NOTICE IS HEREBY GIVEN that a Petition having been filed with the Commissioner of Highways of the County of Cook and State of Illinois, on the 31st day of August, 1933, asking the said Commissioner to cause to be laid out a road in said Township upon the following described route, to-wit:-

First Saxophones

Natives of La Mesa Angat, a town in Bulacan province on the Island of Luzon, the Philippines, claim the horn invented by Anton Sax was copied from the bamboo instruments devised by their forefathers. It looks like a saxophone, it's held like a saxophone, it's blown like a saxophone, and though it may not twiddle precisely the same tunes, the La Mesa Angatans will rest their case on the preponderance of the evidence.

Film Lampoons Radio Sponsors and Stars

Commercial radio broadcasting with all its intricacies forms the target for a well aimed shaft of satire hurled in "Professional Sweatheart" at the Des Plaines Theatre next Sunday and Monday, Sept. 17 and 18.

Radio luminaries, broadcast sponsors, press agents and "personality creators" are revealed in all their activity. Ginger Rogers, as the "Purity Girl of the Air" for the Ippie-Wippie Wash Cloth program, rebels against her contract forbidding her to drink, smoke, pet, dance and have anything to do with men; inwardly she is a redheaded spitfire yearning for late hours and hot-chai.

Her sponsors secure Norman Foster, as a hill-billy from Kentucky, through his fan mail, and marry her off to him. When a rival sponsor offers a contract permitting the liberty she desires, her log cabin husband teaches her how to be domestic with jabs to the jaw and ardent love-making, building up to climactic fun.

CHRISTIAN SCIENCE CHURCHES

"Substance" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 10.

The Golden Text was, "Thy name, O Lord, endureth for ever; and thy memorial, O Lord, throughout all generations" (Psalms 135:13).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "By humility and the fear of the Lord are riches, and honour, and life" (Proverbs 22:4).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To ascertain our progress, we must learn where our affections are placed and whom we acknowledge and obey as God. If divine Love is becoming nearer, dearer, and more real to us, matter is then submitting to Spirit" (p. 239).

Snails Are Liked in Paris

The French consider snails one of the most delectable of dishes. Paris alone consumes about a ton of snails a day in season.

EAST MAINE

An eight pound baby boy was born to Mr. and Mrs. Raymond Jacks at the St. Francis hospital, September 10. Reports say mother and son are just fine.

Attendance at St. Matthews Lutheran school first of this week was 45 pupils in both rooms with two more expected soon. Forty-four are enrolled in the public school, 22 in each room.

Once again we repeat the invitation of St. Matthews Lutheran congregation to join them in celebrating their annual Mission festival Sunday, September 17. Two services, German at 10 a. m. and English at 2:30 p. m., will be in charge of Rev. Leskow and Prof. Kiessling, respectively.

Herbert Schnur left this week to resume his studies at Wabash college at Crawfordsville, Indiana. This is Herb's second year there.

Junior Hall celebrated his sixth birthday anniversary Sept. 11 by entertaining fifteen friends from the city.

The Maine Township Bowling club are eager to get their fall and winter bowling season under way and have called a meeting for Wednesday evening, September 20, to be held at Wm. R. Tagtmeier's store, East Maine, at 7:30 p. m.

Everyone interested in bowling with this league is invited to attend the meeting.

Do Dump Heaps Outlive Books? Answer at Fair

Ancient Races Known by Things They Threw Away

If our present civilization lives up to civilizations of the past, posterity may learn more about us from our city dump heaps than from our literature and works of art.

At least that is the conclusion that may be drawn from the archaeological exhibits by Logan museum of Beloit (Wis.) college in the Hall of Social Science at the Chicago World's Fair. Most of what we know of long-dead races we have found by striking dump heaps and burial grounds in the course of excavation, the exhibit reveals.

In one diorama of a series labeled "How the Story of the Past Is Read," is a cross-section of a modern city dumping ground. Different layers are ticketed "1923 to 1933," "1913 to 1923," "1903 to 1913," and "1893 to 1903." The difference in the content of the various strata discloses how the city's progress was effected.

In the layer representing the last decade appear an automobile radiator, electric flashlight, radio tubes, aluminum cooking ware, and fashionable shoes. The 1913 to 1923 layer encloses a carpet sweeper, an old square toaster that was used on top of the stove, a coffee mill and, near the bottom, a whiskey bottle with a distinct air of good breeding. Down deeper another decade gives up an oil lamp, kerosene can, ornamental stove, fancy gas light fixtures and high lace shoes. From 1893 to 1903 the visitor can see that people threw away funny brownish-looking old photographs, gramophone horns, irons that had to be heated over a fire, horseshoes and high button women's shoes.

Further dioramas reveal that it was by studying dump heaps in much the same manner, scientists were able to learn about men and women and their works of thousands and thousands of years ago.

Milk Producers are Loyal to Organization

At meetings held in Palatine Tuesday night and in Schaumburg and Elk Grove Wednesday evening, the members of the Pure Milk association of those districts were unanimously against a strike and will remain loyal to the present officers of the association. Reports have since been received that similar action has been taken at meetings held this week in Lake and DuPage counties.

The invasion of these districts by agitators and milk producers favoring a strike, will be vigorously opposed by the loyal members. Mr. Louis Pohlman stated Thursday, "we all want more money for our milk, but there is a right and a wrong way to get it. Our officers are doing their best. We can not afford to allow the disrupting of our association."

Convictions which are expected to help greatly in discouraging cut-throat competition for retail milk business as carried on by milk-stands at the outskirts of Chicago's city limits, were announced this week.

The Midwest Farm and Dairy Products Company, operating roadside stands at Glenview and Des Plaines, were convicted and fined \$80 September 7, by a jury who found them guilty of selling unsanitary milk. State evidence showed that the milk was not only below health standards, but was also below quality standards, the butterfat content being lower than that required by state law.

Twenty-two other violators have asked for a jury trial and will appear before the court September 13. These convictions confirm the Pure Milk Association's claim that the roadside stands not only constitute an unfair competition, but are a threat to the health of the city, and on this basis should not be tolerated. Once a milk-borne epidemic started, the consuming public would be suspicious of all milk to the detriment of dealers and producers who faithfully uphold quality and health standards.

Is Religion Dying?

Religions are the ways by means of which men seek God and salvation. The true religion is Christianity. It is alive because it has a living Lord and Savior, the Son of the living God who is life and gives and sustains life. It is alive because it is growing. Other religions will wane in proportion to the growth of Christianity in the world. It may not be confused with other religions.

The word church is derived from the Greek language meaning the congregation of the Lord. The church is an institution decidedly Christian in character. The word church cannot be correctly used in connection with any other religion. The church is the main channel through which Christianity is propagated in the world. It is an instrument of God through which He reveals himself to man and shows him his own lost state and also the way of salvation thru the grace of God, in our Savior Jesus Christ.

Speaking of the work, the power, the influence, etc., of the church, we mean the work, the power and influence, etc., of God. No one will claim that this is dead and therefore no one can believe that the church is dead. It is a power in the world today unto the glory of God, life and salvation to man. Christ said to his followers, "Ye are the salt of the earth, ye are the light of the world." We can be assured if it were not for the preserving power of Christianity, this depression would be a great deal worse, and the darkness of the world would be impenetrable if it were not for the light of Christianity.

Likewise we may say that the affliction of these times would be far more bearable, possibly there would be no depression at all, if all men would turn to Jesus Christ and live his way of life. The cure for hard times is not in the change of silver and gold but in the change of the hearts and lives of men.

Heavy Sale of Tickets Reported for Firemen's Dance September 23

Members of the Palatine fire department who have charge of the tickets, report that there has been a wonderful response on the part of the general public to the first firemen's dance to be held in recent years. This department is an active organization, doing its best to perfect the organization to a point where disastrous fires will be almost impossible in Palatine and to secure lower insurance rates. The boys deserve the support of everybody. The purchase of a pair of tickets, whether you attend or not, will show your willingness to cooperate.

The dance will be given in Seip's Auditorium.

Plans for Community Fire Protection Gets Encouragement

While Chief Comfort of the Palatine Fire Department could not make any definite announcement about the participation of the county board in the purchase of additional fire fighting equipment, especially designed to protect Camp Reinberg and the farming territory, Mr. Comfort did state at the business men's association meeting Wednesday evening, that the plan had been endorsed by the Elia, Schaumburg and Des Plaines Insurance companies; that residents in the Smith & Dawson subdivision were organizing a community club with that as their goal and there were other evidences that the plan was being met with great favor. Nothing definite can be done until the county is heard from.

The Ladies' Aid Society of the Palatine M. E. church will meet in the church parlors Wednesday, Sept. 20 2:30 p. m. Mrs. Bloomquist is hostess.

Mr. Theophil Voeks, well-known concert pianist and singer, announces the beginning of the fall teaching season. Mr. Voeks is a faculty member of the American Conservatory in Chicago, and also teaches several days each week in Palatine. Soldiers of the Sea Attract Local Youth

Laying aside civilian clothes for the uniform of the U. S. Marines, Walter Robert Abel, son of Mrs. Erna Abel, 245 S. Broadway street, Palatine, Ill., has been receiving instruction in the drills, duties and customs of the soldiers of the sea at his training station, Parris Island, S. Car.

Attracted by the prospect of serving aboard a battleship or cruiser, seeing some of the foreign lands visited by the Marines, or by their smart military uniform, Abel applied for enlistment at Chicago, August 21, and was sent to the South Carolina camp for instruction.

Within a few weeks he will be available for duty in Haiti, Cuba, Hawaii, China, the Philippines, or at one of the numerous naval stations along the Atlantic or Pacific seaboard. Should he be assigned to sea duty, he will be given special instruction. Doubtless he will have many interesting experiences while following the fortunes of the sea soldiers.

\$2 Fines Stare Delinquent Autoists In the Face

There are eighty Arlington Heights people who are using their cars without the required license tags, who have received notice this week that the time of grace expires today for a fine of \$2 is waiting for each and everyone who disregards this final notice. The village treasurer reports that the sale of tags has been heavy, however, there will be few delinquents to fine.

A somewhat similar situation exists regarding delinquent dog tags. There are sixty dogs running about Arlington Heights without the required tags. Next Monday is the zero hour when the police will go over the top for either the dogs or the license fee. Better have either one or the other ready.

ST. PAUL'S EVANGELICAL CHURCH

Rev. John C. Voeks, Pastor. Sunday, Sept. 17, Harvest Festival.

Sunday school at 9:30 a. m. Promotion as announced last Sunday will be made Sunday morning. We will have several classes in each department and can serve you well. We invite children and young folks who do not belong to any Sunday school to join us.

There will be two periods of worship: 10:30 to 11 English and 11 to 12, German.

The fruits, vegetables, preserves, etc., for decoration will be sent to the Bensenville Home. Special music is promised.

You are welcome.

Mr. and Mrs. Edward Pohlman attended the funeral of Mr. Pohlman's cousin, Louis Kober, at Park Ridge, Saturday.

Mrs. Thomas Pitt had the misfortune to fall on the cellar steps of her home the past week and sprain both her ankles.

The next regular meeting of the Ladies' Aid of the Methodist church will be held Thursday afternoon, Sept. 21.

The members and friends of Rosedale chapter O. E. S., enjoyed a card and bunco party at the Itasca village hall Wednesday evening.

Leo Harris of St. Louis, Mo., is visiting his sisters, Mrs. Louise, Mrs. E. Cooter and Mrs. E. Beister.

Mr. and Mrs. Frank Wind and son, Frank, Mr. and Mrs. Henry Pohlman and son, Jack, Mr. and Mrs. Jack Harris and son, Norman, and Mr. and Mrs. Arthur Taylor and daughter, Helen, enjoyed an outing at Pottawatomie Park, St. Charles, Sunday.

The first meeting of the year of the Roselle Parent-Teacher's Association, was held at the public school Tuesday evening. Mr. Followell, principal of the school who had been elected president of the association at the April meeting, informed the members that it was impossible for him to serve in that office. The election of a president was carried over to the next regular meeting to be held the second Tuesday in October. The yearly dues were reduced from 50 cents to 25 cents per member. Let's get together and all attend the next regular meeting and help to make the Parent-Teacher's Association a success.

The Louis Benhart and Elmer Beisterfelt homes are under quarantine for whooping cough.

Gertrude Stuerzebecher underwent an emergency appendicitis operation at the Belmont hospital in Chicago Friday. She is reported to be getting along nicely.

The four who were unable to attend were: Mrs. Mabel Melville and Miss Flossie Scott of Chicago; Mrs. Theodore Heine, Wheaton, Minn., and Mrs. August Warsaw, Tucson, Ariz.

The Thursday Evening club was organized in 1913 by Mrs. Warsaw who was then Miss Selma Thieman, at her home in Roselle. While the purpose of the T. E. club has always been social, it has from time to time contributed generously to worthy causes. Members of the club are Misses Clara Becker, Ella Hitzeman and Violet Sumner and Madames William Fenz, Raymond Seamehorn, Otto Bokelman, Norman Hutchinson and Henry Langhorst. This is the third reunion the club has held.

BENSENVILLE

Miss Sophie Moeller was guest of honor at a party given Sept. 2 at the Bar-B-Q stand in Elk Grove, the event being her 18th birthday. Friends departed at an early hour the morning wishing Sophie many happy returns of the day.

A gay throng of 75 guests attended the surprise party held in honor of Miss Ella Burmeister, daughter of John Burmeister, on Sept. 7. The celebration was held at the home of Mr. Herman Burmeister, the hostess's uncle. Gilbert's Harmony Boys furnished the rhythms to which the crowd danced. Then there was that ever present barrel of 32, which shared honor with the capable orchestra in livening up the festivities. Sandwiches and coffee were served to satisfy any hungry appetites that may have developed during the gay evening of fun and mirth.

The Catholic Woman's club met at the home of Mrs. S. Owens in Wood Dale, Wednesday afternoon. Grandma Schmidt on the corner of Green and York streets, has been quite ill the past week. Her many friends wish her a speedy recovery.

Mr. and Mrs. Leonard Holquist of Rockford, Ill., enjoyed a week-end visit with the former's brother,

John Holquist and family on Pine avenue.

Mr. and Mrs. T. Bowers entertained relatives from Chicago Sunday.

AT THE CATLOW

"Stranger's Return" with Lionel Barrymore, Miriam Hopkins and Franchot Tone, will be the attraction at the Catlow theatre, Barrington Friday and Saturday nights. Phil Strong, author of "State Fair" wrote the story. The scene is laid on an Iowa farm, and deals with the problem of a city girl who returns to the farm after an unhappy romance. Franchot Tone plays the role of the college-bred farmer lad, and Stuart Ralwin appears as the corn-lickered farm hand. "Stranger's Return" will be found to be entertainment of humor and pathos with beautiful photography to enhance the strong story.

Charles Ruggles, Mary Roland and Walter Catlett head the large comedy cast which makes the picture, "Mama Loves Papa," which plays the Catlow Sunday and Monday, a domestic riot from the first flash. Ruggles and Miss Roland are cast as a middle-aged couple with a flair for trouble. They commute to the city each day, the husband to play at work and the wife to absorb culture. A Mickey Mouse cartoon, band act, novelty events, comedy and community singing will round out a splendid evening's entertainment.

Tuesday of next week brings Ronald Coleman to the Catlow as their bargain night attraction in "Devil To Pay." It will be followed by "Moonlight and Pretzels" which will be shown Wednesday, Thursday and Friday nights. This musical is one of the most tuneful of the day, and is said to contain the fun of "College Humor," the beauty of "Gold Diggers," and the back stage interest of "42nd Street."

Husband Pleased After Wife Loses BULKY FAT

Reduced 21 Pounds—Skin Clearer and Feels Much Better

"I've lost exactly 21 lbs. with 3 jars of Kruschen and am so happy to get rid of that bulky fat. My husband is very pleased with me. My skin is clearer and I feel so much better since I'm not so heavy on my feet. Friends say I look much better." Mrs. Norma Spickler, Maquonville, Md.

To get rid of double chins, bulging hips, ugly rolls of fat on waist and upper arms SAFELY and without discomfort—at the same time build up glorious health and acquire a clear skin, bright eyes, energy and vivaciousness—to look younger and feel it—take a half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast.

One jar lasts 4 weeks and costs but a trifle at Ferd B. Wendt or any drugstore the world over. Make sure you get Kruschen because it's SAFE. Money back if not satisfied.

THREE HUNDRED ATTEND GOLDEN ANNIVERSARY

Mr. and Mrs. G. H. Arps of Palatine Celebrate in Midst of Many Friends

Mr. and Mrs. G. H. Arps of Palatine, celebrated their fiftieth wedding anniversary Tuesday evening and received the congratulations of over three hundred friends. The event was held at the Arps home, the guests having to content themselves with the opportunity of congratulating the honored couple then viewing the many gifts, and passing thru the house to the lawn where refreshments were served.

At promptly 8:30 a commemorative ceremony was held which started with the wedding march played by Mrs. Irving Kelsey of Woodstock, whose mother, Mrs. Walter Wheeler, cousin of Mrs. Arps, sang "Love's Old Sweet Song." The latter played the march and sang the solo at the nuptials of fifty years ago. Rev. J. C. Voeks, pastor of St. Paul's church, read the anniversary service and gave the remembrance blessing, while Rev. Bloomquist gave a prayer.

It was a very pretty scene. Banked in one corner were many floral baskets, in which the golden color predominated. Nearby were tables covered with the many gifts varying from linen to gold, every one of which would gladden the heart of any young bride, but which represented to Mr. and Mrs. Arps the friendship and love of old friends, many of whom they had known for forty and fifty years.

Members of Mrs. Elnora Foster's Sunday school class presided at the

refreshment table. Many towns were represented in the company present, including Chicago, Elgin, Forest Park, Barrington, Des Plaines, Crystal Lake, Woodstock, Ridgefield, Cary, Park Ridge, Blue Island, Harvey, Arlington Heights, Mount Prospect, Batavia and Norwood Park. Present from a distance were Mrs. Mary Smith of Davenport, Iowa and Mrs. Cora Quayle of Cleveland, Ohio. Telegrams and cards were there by scores.

The North Western railroad, with which company Mr. Arps was connected for fifty years, was represented by B. E. Terpin, general superintendent. A delegation was also present from the Grand avenue freight office. There were also present a number prominent Odd Fellows with which state lodge Mr. Arps has been closely connected for many years and many friends of Mrs. Arps who in the past were associated with her in W. R. C. and Rebekah work.

It will be a surprise to many people to learn that Mr. Arps was born in Germany, coming to this country when three years old, his father settling in Elk Grove township where he was employed for many years with Wm. Linnemann. The family later moved to Cary where Mr. Arps, Sr., was employed by the North Western 34 years.

His son was attracted to the railroad business and his first job was as baggage man at Barrington, where he learned the telegraph and became a relief agent. In 1884 he opened the first telegraph office in Ridgefield and after eight years came to Palatine, where he has resided ever since. Until 1917 he was station agent. In that year he became agent at Deering and with the abandonment of that station by the company he became assistant agent under H. R. Terpin at the important Grand avenue station.

Mrs. Arps was born near Crystal Lake and has taken great interest in Woman's Relief Corps and Rebekah work.

A copy of the Nunda Herald under date of Sept. 1883 carries the following account of the ceremony of fifty years ago.

ARPS-HUNT

"Married.—At the residence of the bride's parents in Nunda, Ill., on Wednesday, September 12th, A. D. 1883, by Rev. R. K. Todd, Mr. Gustav H. Arps, of Cary, Ill., and Miss Alma E. Hunt.

"We would like to give an extended account of the wedding, for there were many there, a nice night, and a very pleasant time, but want of space prevents us.

"At 8 p. m. the wedding march was performed by Miss Fannie Felt. The bride and groom then entered the parlor, where, supported by "maid" and "man" Miss Nellie Doherty and Mr. Plinn Hunt, the rite was performed.

"The bride was dressed in a peculiar shade of lavender cashmere. After hearty congratulations, the company repaired to a large tent, under which a sumptuous collation was spread. A very pleasant hour was afterwards spent by music in the parlor, visiting everywhere, and smoking on the 'wood-pile.'"

OBITUARY

Mr. Henry Weber was born September 9, 1853, at Holzhausen, Germany. He was baptized and confirmed in Germany, came to the United States in the year 1881, and came direct to Arlington Heights. He has made his home in this vicinity up until the time of his death, Sept. 12, 1933. He attained the age of 79 years, 11 months and 15 days.

On November 9, 1883, he was united in marriage to Miss Elizabeth Becker at Arlington Heights, Ill. Four children were born of this union, one daughter and three sons, the sons dying in infancy. Mrs. Weber passed away in 1925.

Mr. Henry Weber leaves to mourn his loving daughter, Mrs. Lilly Damm of Arlington Heights; one son-in-law, Mr. Fred Damm of Arlington Heights, Ill.; two grandchildren; one brother; one sister and one brother-in-law.

Funeral Friday afternoon, Sept. 15, 1933, at 1:30 p. m., at his home on the Northwest Highway and at 2 p. m. at the St. Peter's Ev. Lutheran church at Arlington Heights, Ill., Rev. Noack officiating. Funeral arrangements by Karstens.

Evolution of the Nook

Great inventions are often the simplest: The architect took the door of a clothes closet and called it a breakfast nook.—Bangor Daily Commercial.

Arthur Schoepke, Herald Employee, Is a Benedict

The Herald office is missing one of its faithful members this week. Arthur Schoepke, son of Mr. and Mrs. Wm. Schoepke, was wed to Miss Elizabeth Koehler, daughter of Mr. and Mrs. Adolph Koehler, at 5:30 Saturday afternoon at the Lutheran parsonage by Rev. C. M. Noack. They were attended by Milton Schoepke and Margaret Haseman.

Following the ceremony and a visit to the photographers, a wedding supper was served at the Schoepke home. The following morning the happy couple left by auto for Wichita, Kansas, where they are visiting friends.

Upon their return home they will reside in the small bungalow that the groom has erected upon his lot on South Mitchell street.

Friends of both parties who have viewed the approaching nuptials are in accord that this was an ideal marriage and that home will be a happy one. The couple have the best wishes of the boys in the office, who are now nearly all staid married fellows and have forgotten how to charivari.

Red Wings Defeat Chicago Antigos

The Arlington Red Wings defeated the Chicago Antigos Sunday afternoon by the score of 6 to 1 in a game that was filled with good plays and one really worth witnessing.

"Peanuts" W. Meyer, pitching for the Red Wings allowed six hits and had nine strikeouts to his credit. Peanuts was really in form and pitching his usual game of ball.

Finch, pitching for the Antigos, allowed nine hits and had nine strikeouts credited to him.

Both teams playing baseball kept the game full of pep, one that kept the fans going and made it a game that no one wants to miss.

Neither team scored in the first three innings, the Red Wings scoring one run in the fourth on hits by Schaefer and Bolte.

One more run was scored in the fifth on a triple by A. Meyer, who scored on a hit by Dobbins.

Three more runs were put over in the seventh on hits by Dobbins, Brodhan on a bunt, struck by a pitched ball, Schaefer on a hit, Bolte on a hit, Pitzon on a walk and a hit by W. Meyer.

Scoring one more run in the eighth on a hit by Dobbins, and a triple by Schaefer, the Red Wings brought the score to 6 to 0.

The Antigos, putting up a hard fight to keep from being white washed, scored their one and only run in the ninth on a hit by Maroe, who scored on a double by Wilson.

Although the Red Wings were out in front all through the game, the Antigos kept going all the time, threatening to come back, but were kept down by Peanuts' pitching and wonderful support by the entire team.

On next Sunday afternoon the Maywood Illini will be out here plenty loaded up to revenge themselves against the Red Wings. This will be a game you don't want to miss, fans, for Maywood is really out after the Red Wings.

The season is fast drawing to a close and the Red Wings have only a few more games to play before putting the old "moth balls" in the uniforms. So, fans, you only have a few more good games to see. Be out strong Sunday, just as you have been all season.

Game called at 3 p. m. sharp at the Red Wing ball park, 500 S. Highland avenue.

Always a Red Wing Booster.

Fireworks, Live Program To Feature V. F. W. Club Opening

The final plans for the dedication of the V. F. W. club house by our own Prospect Post No. 1337, Veterans of Foreign Wars of the U. S., are nearing completion.

The program will begin at 2:15 p. m., Sunday, Sept. 24, 1933, at the Village Hall in Mt. Prospect.

Plan to make up a party and enjoy yourself on the V. F. W. grounds.

Music, smokes, sandwiches, Ye Good Olde 32 and fireworks are a few of the items to be had, not forgetting sweets for the ladies. So plan to stay for the evening.

The club house is at North Elm-hurst road and Hill street.

Everyone is invited to attend and a most hearty welcome awaits you.

Seven Eastern Star Chapters Enjoy "Stunt Night" at Palatine

Seven Eastern Star chapters were represented in "stunt night" at the last meeting of Palatine Chapter No. 585 O. E. S. It was one of the most enjoyable social occasions for that chapter in many months and members who were not present missed an amusing evening.

The chapters present, each of which contributed a part to the program were Glenview, Wheeling, Arlington Heights, Norwood Park, Barrington, and Rosedale.

Glenview's contribution was a reading. Wheeling had its kitchen orchestra; Norwood Park, solos by its worthy patron, Rosedale, an old maid's convention; a Arlington Heights presented Pocahontas, Poc-hie with Richard Jahn as John Smith; Chief Powder Can, Chas. Panknin; Holy Father, Geo. Volz; abontas, I. Ihle with E. Jahn as J. Fred Ehret; Trees and Forest, Florence Luckner, Delia Hertel, Frances Thorson, Mayme Topping and Jennie Carlson; Sun, Hilda Wilton; Danger, Ella Heuer; Birds, Emma Laurin; Scene, Geo. Bauche; Reading, Myrtle Frye; picturization, Mary Meyer and Squirrel, Mrs. Minnie Lange. The rendition was at times beautiful, then pathetic and then comical.

Palatine chose Moon Mullins with John Senne as Moon; Wesley Comfort as Uncle Willie; Laura Hildebrandt as Mamie; Helen Wentz as Mrs. Schmalz; George Wilson as Lord Plushbottom; Hazel DeBerg as Egypt; Mildred Gams as Kayo; Frank DeBerg as the policeman and Frank Wentz as the judge. With such a cast, of course it was a scream.

Grand Lecturer's Night

Palatine will observe grand lecturer's night with Miss Celia Hausam in the East this Friday evening. Members of the order are especially invited.

Largest Library

The Library of Congress, in Washington, is the largest library in the United States. It has in its collections some 3,200,000 printed volumes, and in this department is the third largest in the world, exceeded by the Bibliotheque Nationale of Paris, and the British Museum, London. The collection of music in the Library of Congress is the largest in existence.

Golden Wedding of Mr. and Mrs. E. T. Wolf, Lowell, Wis.

Sunday, Sept. 10, E. T. Wolf, his wife and son, Bobbie, G. R. Wolf, Elenor and Georgie Ray, and Mr. and Mrs. E. T. Wolf and daughter, Marjorie, all of Mount Prospect, motored to the old home of the Wolf family, to join a company of other relatives and friends to honor the 50th or golden anniversary of Mr. and Mrs. E. T. Wolf. There were four sisters and their families in the group, and in all, eight grandchildren. Among the honored guests were Mr. and Mrs. Underberg of Milwaukee, who had been bridesmaid and best man to the bridegroom of fifty years ago.

There were masses of beautiful flowers such as brides are never too old to admire. There were wonderful cakes such as we well know one member of the Wolf family can make. Two of the granddaughters, Dorothy and Elinor Wolf, sweetly sang, "Put on the Old Grey Bonnet" and "I Love You Truly." The dear young voices and the touch of sentiment of their songs caused a pearly tear to trickle down the cheek of the bride of fifty years ago.

The Senior Wolf had three sisters and their husbands and one sister-in-law in the company. Mrs. Wolf has no living relatives. It was a beautiful expression of children's love to honor father and mother, while yet with them in this life. The best part of it all was to be their second honeymoon to be spent attending the Century of Progress.

We never knew the Seniors of the Wolf family, yet we have known two of their sons well and another son we have met and know them to be the right kind to improve principles of kindness and truth, justice and honor on the characters of their children. For all this we congratulate Mr. and Mrs. E. T. Wolf and wish they may live to celebrate their diamond anniversary with all their children to crown it with greater joy than any that have gone before.

SUBURBAN PRINTERS ADOPT COST BASIS

Organize Trade Group For Working Administration of Code in This Vicinity

The publishers and printers of the suburban district west of Chicago have perfected an organization to look after their interests under the provisions of the code for this industry. They were brought together by the possibility that the large commercial printers would put many of the small shops out of business by requiring them to install elaborate cost-finding systems. A provision of the code permits the smaller shops to base their prices on the costs that have been worked out in the plants which have accurate cost-finding systems. To take advantage of this provision and comply with the fair practice regulations for the industry, the printers of the district completed their organization Tuesday evening at the Brookfield village hall and adopted a schedule of prices on which a committee has been working for several weeks. The price list covers the ordinary run of printing jobs common to all shops and a "Simple Estimating Sheet" has been provided so that jobs of all kinds can be figured on an approved basis.

Vernon Nickless of The Citizen Publishing company, LaGrange, was elected president of the organization; Harry Judson of Brookfield, vice president, and Fred Fuller of the Des Plaines Publishing company, secretary. The nominations were presented by Rollo Givler of the Naperville Clarion.

Meetings will be held the second Tuesday of each month and the organization starts out with some 40 members.

"Captured" with All-Star Cast, Now at McVickers

An unusually large list of distinguished players make up the cast of "Captured," a dynamic story of a love triangle in a German prison camp, now playing at the McVickers Theater.

There are six players who have ranked as stars on stage or screen and sixteen players in the more important roles. Besides these there are a number of strong minor roles with more than 150 players in the parts of prisoners in the detention camp. The list of stars includes such players as Leslie Howard, Douglas Fairbanks, Jr., Paul Lukas, Margaret Lindsay, Arthur Hohl and Robert Barratt.

"Captured" is a powerful story crammed with action and dramatic dynamite, based on the novel "Fellow Prisoners" by Sir Phillip Gibbs.

ARLINGTON HEIGHTS

What is the news? There is no stint, To news of which we only hint; Parties and weddings, rummage sale, Business reviving stirs each gale. Mortgages, losses and church debts Stir up a lot of useless frets; Take a new start; go to the fair And find news worthwhile every-where.

Ember Days September 20, 22, 23. Watch for weather prognostications.

Miss Gladys Wilton is to gain the fulfillment of her long time wish and will enter Moser's Business College for a course next Monday.

Miss Margaret Klehm went to Champaign last week to be ready for the opening of the university course for the coming year.

Tom Flynn left home Tuesday this week to resume his course of study at Notre Dame college.

Miss Dorothy Wolf, who was a graduate of the high school here and has since been taking a course in a Nurse's Training school, is now at home for her vacation.

Mr. and Mrs. Harvey Winkelman are the parents of a daughter born Thursday, September 7, 1933. Mrs. Nielson is caring for the mother and baby in their home.

Rev. Noack visited his associate pastor, Rev. Fricke, in the hospital and found him recovering from the painful ordeal which followed his operation earlier in the week.

Mr. and Mrs. John Keimer and their children and Mr. Wm. Taech from Wheeling, visited Mrs. Charles Pavel on West Wing street, Sunday.

Mr. and Mrs. William Niemeyer, Mrs. O. G. Bolte and son, Orson, and Mr. and Mrs. Meiner of Chicago, drove up to Wisconsin to visit Herman Niemeyer and family Sunday.

Mrs. Henry Weide has returned from a visit to her brother and other relatives and friends at her old home at Waverly, Iowa. She went up and came back with Mr. and Mrs. Ed Pfingsten.

Mr. and Mrs. Gade of Chicago spent several days in the home of their daughter, Mrs. Fricke, while Rev. Fricke is in the hospital.

Mrs. Sophie England of Los Angeles, has been a guest of Mrs. Josie Sieburg while attending the World's Fair.

Mrs. Harry Garland of Wauconda, joined her sister, Mrs. H. M. Blume Wednesday last week on a visit to Mrs. Mannie Garland of Des Plaines.

Edgar Flentie, who was in a city hospital for treatment is now at home and on his way to recovery.

Mrs. Eugene Heller left here last week to visit her mother, Mrs. Jarrell, who was in a hospital near her home at Oklahoma, quite ill.

The Robert Rapp family have recently moved from one of W. W. Gould's apartments to Palatine.

Mrs. Fessler drove up to Berrien, Michigan, at the week-end to take her daughter to the college there to resume her classes for the year.

Mr. J. Y. Beatty has gone on a three week's trip east, to attend to business and to visit his brother and family at Bridgeport, Connecticut.

Mr. Foster, who is with the Jewel Tea Company, with his family, has moved into one of the Krause apartments on South Belmont avenue.

The Woman's Aid of the Presbyterian church will hold a rummage sale in the church September 27 and 28. Watch for further notice.

The Social Five Hundred club opened the season with a meeting Thursday last week with Mrs. Wm. Wilke. All members were present excepting Mrs. Raymond Freise. She sent word that she will start home September 16. The extreme heat did not drive away the genial happy spirit of this first meeting with Mrs. Wilke.

All are glad to welcome Miss Martha Jackson back on her round of duties again. We hope she is rested and refreshed by a short vacation from hearing us whine and complain.

Little Laura Katherine Fritz completed her first twelve months on their terrestrial sphere Tuesday, Sept. 12. Mrs. Fritz invited a few friends with little folks to help make the day "amusing" to her daughter. Eating ice cream and birthday cake and getting pictures of the children were a pleasing diversion to the guests on the lawn.

George Schaefer, Jr., is delving into deeper knowledge of the mysteries of radio, a line in which he is much interested, and to which he is devoting much study. He has erected on the hotel lawn two towers preparatory to establishing a broadcasting station of short wave length soon as he has passed an examination and secured his name letters. We certainly wish George success.

Susanna Prasinos enjoyed the experience of her first day at school Monday. She entered the primary grade of the public school.

Mrs. H. A. Kossack came home last week Wednesday from a visit to her parents at German Valley; her mother and her sister and daughter accompanied her home.

Mrs. Charles Fitzpatrick entertained a group of friends in her home Saturday, September 2 to help her celebrated her birthday.

Mark this date, September 27 and 28. A rummage sale at Presbyterian church hall.

Mr. Charles Nelson, with his daughters, Miss Nelson and Mrs. Ivan Nyman and his son, Kermit, are leaving here the last of this week for an extended trip east. Mrs. Nyman will remain in her home in New York.

The Sauerkraut factory seems to be busy at work these late September days. Car loads of cabbage are coming in and due provision is being made to turn out an accompaniment to the pig ribs to be put on the market soon.

Mr. and Mrs. Wm. C. Busch who have been staying for a time at Irving Park, called on old friends here recently. Mr. Busch has received a government contract for at least six months work at Rockford, where they will reside for the season.

Mrs. Josephine Sieburg, who has been anxiously waiting to hear from her friend, Dr. Mary Frederica Becker, received word this week that she is now certainly on her way and will soon be among her old Heights friends again.

Mr. and Mrs. Charles Klehm are planning a trip to St. Louis in the near future, a combination of pleasure and business.

Mrs. Young, mother of Mrs. Fred Bradley, died in her home at Elk Grove this week. The remains were shipped to New Lisbon, Wis.

Mr. and Mrs. Heide have moved in from Quentin corners and are now living on the south side near Mrs. Heide's parents, Mr. and Mrs. Cuny.

Mrs. Mildred Richardson has gone to Park Ridge to take care of her sister, Mrs. Roy Miller's home and children, while she is in a hospital.

Howard Brown, son of our high school principal, who is with the Pure Oil Company, has been transferred from the Chicago office to Cincinnati.

Mr. and Mrs. N. C. Volz left last Saturday morning for their home at Long Beach, California.

The Dorcas Aid of St. Peter's church held their first meeting after vacation in their pleasant room in the Lutheran school hall. It was a brightly decorated cheerful place for them to gather and plan for a busy season of helpful work.

Miss Heiser has been spending some time with the family of her sister, Mrs. Diedrick at Winnetka, because of sickness of some of the children.

ARLINGTON HEIGHTS KINDERGARTEN TO OPEN

Kindergarten opens Monday morning, Sept. 18, at nine o'clock in the south side school. Children who will be five years old by Feb. 1, 1934, may be enrolled at 50c per week. Any parents who have not been reached by the committee may get full information by calling Mrs. Harry Knaack, phone 423, or Mrs. Rex Volz, 561-J.

Many friends of Mr. V. I. Brown will be interested to learn that his sister and husband, Mr. and Mrs. Simon Mitchell, are now in the "Old Evergreens" residence. Mr. Mitchell, who is a skilled carpenter, is busy putting the place in order for occupancy. We hope it may be soon restored to its former place as a home in this city of homes.

The Woman's Aid Society of the Presbyterian church met Thursday last week for the opening session of the season. It was a lively wake company ready to enter into action. Several present having birthdays in this month made birthday contributions. Plans were made for a rummage sale to be held Sept. 27 and 28 at the parish hall; also for the Harvest supper to be given October 18. Please note the date.

The Ever Ready club met with Mrs. Otto Herman for a lively card party Tuesday afternoon this week. There were 35 present, members and guests. There were eight tables for the card players, and pretty prizes. Home made cookies and coffee provided by the ever hospitable hostess. It was a pleasant initial number in the season of activity in good works by these Ever Ready sisters. May success attend efforts.

Mr. Francis Wilton is tearing out partition walls and remodeling his basement space into a recreation hall where his family can have room for sport exercise, games, etc. at their own pleasure. This, Mr. Wilton, does in his summer vacation hours.

The first meeting of the Parent-Teachers association of Arlington Heights, will be held Tuesday, Sept. 19, at eight o'clock at the South school. There will be a short program and a reception for the teachers.

All parents are urged to come to join in this greeting to the teachers, and to get better acquainted with the parents of their children's playmates and to hear the P. T. A. plans for this year.

To be a success the P. T. A. needs the interest and help of every parent.

Mr. Harold Wanberg of Evanston and Miss Helen Blake of Carroll, Iowa, were united in marriage at the M. E. parsonage Wednesday, Sept. 6, accompanied by Mr. and Mrs. Chas. Morrill of Chicago, who were married by Rev. Whipple last June. The bride and groom will reside in Palatine.

The Arlington Heights O. E. S. Girls' club are sponsoring a "Solomon Grundy" party Wednesday, September 20 at the American Legion Home. There will be a door prize and refreshments. Tickets may be obtained from any of the members.

The O. E. S. Girls' Club will hold a Solomon Grundy Party at the American Legion Home on Wednesday evening, Sept. 20, at 8 p. m. There will be cards for those who wish. Your presence will be appreciated.

Mrs. Charles Scherf enjoyed a visit several days from her friend, Ella Gehrke, of Chicago, last week. Mrs. Wm. Kopplin was hostess to the Corephilia Society at her home Monday evening.

OLD TIMERS

There will be an old time dance Saturday night, Sept. 16, at Meyers Park, Arlington Heights. These are your dances and it takes each and every one of you to make it a real home for old time dances. Hope to see you all. See details in ad section.

Mr. James Williams is getting along fine at the Palatine hospital.

The Geo. Klehms entertained friends from Wheaton, Sunday.

Mr. and Mrs. Charles Scherf attended the funeral of Mr. Edward Rons of Chicago on Tuesday. Mr. Rons and his wife were close friends of Mr. and Mrs. Scherf, the two couples having been married at the same time.

Ferdinand Christian Blohm and Miss Myrtle Scharringhausen will be married at St. John's church at 4:30 Saturday afternoon. The groom is employed at the Schmidt Bros. food store and the above explains why he has had so much trouble lately remembering weights, and why he has that far-away look every time he waits upon a good looking girl. The boys at the store are wishing him all kinds of luck, but have not yet decided about the extent of the charivari. Ho, Ho, it's been a dry summer.

A style show and card party will be given at the Lutheran school hall Wednesday, Sept. 28. Those participating in the show are The Emerald Shop, Arlington Bootery and Mrs. Watson Beauty Parlor. Full details next week.

Steve Bencie is having a two weeks' vacation from his duties at the Borden Dairy.

Miss Dorothy Mae Helm entertained some girl friends at bridge at her home Wednesday afternoon in honor of her friend, Miss Harriet Barrett, who leaves Friday for the University of Illinois.

Mrs. Gilbert Wilke entertained a girl friend at her home a few days last week.

V. F. W. AUXILIARY

The Arlington Heights V. F. W. Auxiliary wish to announce that the party that was planned for Sept. 20, will be postponed until a later date.

So all members of the Auxiliary, plan to be present at the next meeting to find out when and where the party will be.

W. BAXTER'S FAD IS TO BE OUTDOORS

Stellar Player in "I Loved You Wednesday" Likes Engineer Role

Flying, collecting rare books, collecting old newspapers, bowling, shooting, motoring, collecting old furniture, painting, sculpture.

These are named as some of the hobbies of motion picture stars, but Warner Baxter made the most unique reply to the question, "what's your hobby?"

"It's being out of doors," he said. "I prefer to work outdoors and to play in the open. I wish all my pictures were made under the sky instead of under a roof."

"Two of my most successful pictures, 'In Old Arizona' and 'The Cisco Kid' were made in the open and I enjoyed working in them more than any of the society dramas in which I have played roles. Sometimes I wish I could trade places with George O'Brien whose pictures are, for the greater part, made on outdoor locations."

"I spend all my spare time in the open, either on the beach at Malibu, on a tennis court or in my garden."

Baxter, too, is fond of hunting and fishing and owns a cabin in the San Jacinto mountains where game and fish are plentiful.

In his latest film, "I Loved You Wednesday," coming on Tuesday to the Arlington Theatre, Baxter has the role of an engineer, a part that takes him outdoors a great deal. In the cast are Elissa Landi, Victor Jory, Miriam Jordan and Laura Hope Crews. Henry King directed from the adaptation of the Molly Ricardel-William Du Bois play by Philip Klein and Horace Jackson.

SHOVELS for SALE!

when Gas Heat ends furnace drudgery forever

SALE

To prove that every home can afford to heat with Gas... we will install it at our expense and remove it at our expense, if you don't like it.

THE old coal shovel. That's one thing you'll never regret selling or even giving away. You'll never be sorry that shoveling coal and hauling ashes are things of the past. Gas heat ends all furnace drudgery. A single match is your kindling pile. Gas is always on tap and you pay for it after you use it.

Gas heat ends dirt The dirty coal bin, where dust and grime collected to be spread over the entire house is gone forever when you install gas heat. No more soot and grime—no more tracking up the house—no more dirt-streaked walls and curtains. For when spotless gas heat comes in—endless dirt goes out for good. Let us install gas heat in your home. Learn by experience its many benefits. All homes—even the most modest—can now afford it. The cost of gas at the new low rates is just half of what it was in the season 1930-31.

We take the burden of proof To prove it—we take the full burden of proof—we'll install it in your home without your making one cent of investment. Then you'll know from your own experience whether you can afford gas heat or not.

During the nine heating months of the first year you pay \$3.00 a month rental for the equipment in the average home. This charge will be included with your gas bill. And if for any reason during the first year you want it removed, we take it out and the rental charge stops immediately. Further, we replace your former heating equipment in good workmanlike order. If you decide you want it, the rental applies on the purchase price.

Banish heating worries Decide now to end days and nights of back-breaking coal shoveling...dirty hours of hauling ashes...nuisance of chopping kindling...anxiety of setting dampers and waiting for heat to come up. Install gas heat and fire your furnace from your easy chair. Mail the coupon for complete information.

Now in effect NEW LOW COST for Heating Homes with GAS

YOU INVEST NOTHING! Without ONE CENT of investment by you, we install the most modern burner in your furnace or boiler. If you are satisfied, it stays. If not—and you are the sole judge—out it comes and your former heating system is re-installed—AT OUR EXPENSE. We make this offer because of our confidence in the perfection of gas heat.

DON'T DELAY—MAIL THE COUPON

OBSERVER'S NOTES

I never crossed the southern seas, Nor do I care for kings at ease; I have not been in foreign lands, Nor ever trudged o'er desert sands; Over much that common place may seem, I've woven many a golden dream; In this old fashioned country town, My staff of rest I have set down. In a plain house my days are spent, With garden, vines and noble trees; My eager pen is here content To sing of these.

That must include the folks that live, move and have their being in this old town; folks who are good, bad and indifferent form a pretty good sample of the people of our nation and the world.

Though these may be classed as good, better, best, if you only touch the right chord, as from a musical instrument you bring harmony or discord, if you touch the human soul you bring out the best or the worst harmony or discord, according to your purpose.

O, east is east and west is west, and everyone thinks where home is best. Now here come friends from California telling us earthquakes aren't so terrible, no more frightful than Illinois thunder storms and they never have it as hot out there as we have it in Illinois. From Boston come the Fergussons telling of the fine gardens there and all that makes home the best.

Look at us, sizzling in the hot-est ever Thursday, Friday and Saturday until after ten o'clock Saturday morning when Old Neptune, or some other dictator of the waves, turned on a stiff breeze from Old Lake Michigan, and were we thankful? You see, all these climatic changes come to us right here at home.

Something good, something pleasant comes to us often when we were in danger of getting gloomy and discouraged. A friend you had not seen for years comes, yesterday when we were almost cooked to cinders, Miss Kittie Loomis and her brother, Ordo, came for a call.

Mr. Loomis wanted to consult Mr. O. G. Barrett, Farm Adviser, and crop reduction commissioner, as to the reduction of wheat acreage. He seemed to think, as all our experienced farmers do, that Mr. Barrett is the right man in the right place. He says so far as reduction of crops is concerned, he thinks the crop failure this year will prove it is better to have too much than not enough.

Mr. and Mrs. N. C. Volz, after a month visiting friends in the Heights and in other places, also looking over the Century of Progress, left here for their home at Long Beach, California, Saturday morning. They seem to think California is a good place to go home to. Many friends regret their going.

They're stirring up "high jinks" in Cuba, in South America and in Japan, and England announces approval of our NRA, yet denounces a dictator. Dear-a-me. We have just about all we can attend to right here in Arlington Heights, water works problems, widening streets, and tree cuttings. What more do we need to keep us awake nights? Let Cook county, the state, and the nation wait until we get their larger home problems settled.

Our new improvements can't be beat. They set our houses by the street; Yet this will not completely joy mar; From our door we step in our car; The trees that clutter up our view; For winter's firewood will do. A big point here see you don't miss We boastful moderns out to date Get our best chuckle out of this— "All costs are paid for by the state!"

Talk about over production. From Wilke road on the west to Meadow road east, from the farthest limit north to the farthest south, hark, hark the dogs do bark. We who have "taxes to pay" hope no more are coming for relief until some of our poor beggars in the town are relieved of some of our burdens.

Yes, I do like dogs, good dogs, but good dogs do not bark nights to keep us from trying to work out NRA problems or decide whether we will walk in the sunshine and speak no ill of our neighbor, even though we do fear the dogs may be "devouring the children's bread" and that too many who sit at ease have their thousands while the poor wage earner is cut down to zero.

Beats all how such nice things come to us our fault-finding folks. You've heard about the old woman who said she firmly believed in prayer and gave this illustration of why she so believed: She had just said, "I wish to the Lord I had a cake of yeast," when a nice boy came along and gave her a fine sample copy of yeast on her doorstep, so—

One hot night last week I had just not exactly prayed, yet ex-

pressed a wish for a slice of melon, when in came one of my dearest children with a full grown answer to a very human prayer—a luscious watermelon. That seems a foolish thing to relate, yet it is of these small acts of kindness our lives are made worthwhile; a book, a paper, or magazine, or something to refresh either body or mind, how they do help us.

Yes, far more do we need the stay of right principles to refresh and encourage our minds than we need bodily refreshing. It was just this need we find in Mr. Hewson's article quoted from the Daily News in last week's Herald. Glad to have one who thinks, and is fearless in expressing his conclusions as Mr. Hewson so forcibly well does.

We are ready to acknowledge we have good men in our town, upright and intentionally just. We have good laws, yet why do we fail to see that these laws are rightly enforced? Do we stand firmly behind the public official who seeks to enforce just laws?

There ought to be a law, ah me, This is today a common plea; About our town somebody saw, Just where there ought to be a law.

There ought to be a law, To help us hold our tongues; Instead of croaking over flaws, Breathe down deep in our lungs.

There ought to be a law to guide Our boys who go in gangs; Kindly to help them to decide On safe amusement plans.

There ought to be a law, we chime, Telling what for, and why; Leading our youth from ways of crime, That all about them lie.

We point weak places in the law, We point where dangers lurk; Yet who that points to every flaw, Helps right laws to secure?

To find fault is an easy thing, With all the things which are; Resolute action helps to bring, Improved conditions far.

You vote for laws and rulings where Some other decides your course, Yet who upholds that one will dare Our right laws to enforce?

The birds are in quite a commotion these near autumn days. They seem to be holding all manner of forums and councils. A robin flew to sit on my head as I was lying on a bench in the garden the other day. I was as startled as those steel men must have been the other day when a high official so far forgot the dignity of his position as to swear at them.

Here comes a fifty-five year old town in Iowa with the magic name NIRA and to its population of 20 people, it doesn't mean National Industrial Recovery Act or at least it didn't until a few weeks ago. To them it meant home and the only town in the state of that name. Another original Iowa idea, but here is the latest from the Art Institute News Letter: An Iowa artist, Grant Wood, of Cedar Rapids whose picture "American Gothic" now on exhibition in the Institute, won a \$500 prize three years ago, tells the story of his experience of the Iowa Idea. Mr. Wood says he had great difficulty to find occupants for the trim Gothic cottage. He got the home dentist to pose in overalls, holding a three tined fork stiffly upright in his hands. Finally he secured his maiden sister to pose as the farmer's wife in trim calico apron, her hair combed straight down over her ears. Thus his picture was complete.

Gaynor-Baxter Film
2nd Week at U. A.

Janet Gaynor and Warner Baxter are together for the first time since they were seen in "Daddy Long Legs," in "Paddy, The Next Best Thing." The picture is now playing at the United Artists Theater.

In this film, Miss Gaynor and Baxter respond to the popular demand for more pictures in which they are featured together. And the roles they portray are the type which give each of them their greatest opportunities thus far. Miss Gaynor is a young impish colleen who adds a strong dash of roguishness to her famous wistfulness and thereby creates a new kind of character for herself. Baxter has the part of a big-hearted fellow who much as he may try, cannot help falling in love with her.

The story centers around the romances of these two persons. At first these romances are separate—Miss Gaynor's for another man, and Baxter's for another girl. But the development of the plot finally does send them to each other and makes them admit their mutual love, even against their will.

"Tug Boat Annie"
Continues at Oriental

The famous "Inside Passage" from Puget Sound into Alaskan waters, terror to all but the most skillful navigators, and traditional among men who follow the sea, figures in the thrilling details of "Tugboat Annie," in which Marie Dressler and Wallace Beery co-star in their first appearance since "Min and Bill." "Tugboat Annie" is now at the Oriental Theater.

The "inside passage" is a channel formed by the mainland on one side and thousands of small islands, with channels between that deceive and mislead the mariner into reefs and other perils.

Because the islands protect the "inside passage" from heavy storms, it is a favorite course northward.

In "Tugboat Annie" Miss Dressler runs a tug into this playground of perils to rescue a liner, caught on a reef. Many thrills are interspersed among the poignant heart-interest episodes and the smashing dramatic climax in which

A friend once told about a woman in her town who is good, painfully good. By this I mean she carries her innate desire to "be good" and "do good" so far that she sometimes becomes an annoyance. After all, it is a difficult problem to determine when our impulses to be kind and helpful to others are the wisest to follow. So let us "do good" and be good as our hearts lead us.

Whoever does his best, In his own place; And patient waits, Will through God's blessed grace, Find peace and rest.

Who ever bears a cross, A cruel hurt or pain; And silent goes his way, Will find the greater gain, His gold refined from dross.

Who ever cheerful says, When clouds are in the sky; Be patient troubled heart, Light breaketh by and by, Is wise in all his ways Trusting in God.

Who ever walks alone, Amid the noisy crowd, Silent with aching heart, Still patient and unbowed, Unrecognized, unknown, Still bravely does his part.

Dear folk, your old Observer didn't mean to put so much preach in and such a heap of verbiage nonsense. O, my what foolishness we do indulge in, yet you will admit your old friend has never indulged in dialect verse. Now, you will be patient for a little bit my first attempt just this once.

Just keep on a-keepin' on, If the day seems kinder dark; And your chances very slim, If the situations puzzlin'. And the prospect awful grim, And perplexities oppressin', 'Till all hope is nearly gone, Just brace up, breathe deep And keep on a-keepin' on.

Runnin' never wins a fight, And frettin' never pays; There is no need of broodin' In these pessimistic ways; Smile, jes' kinda cheerfully, When hope is nearly gone, Brace up, breathe deep down, And keep on a-keepin' on.

There is no use in growlin' And grumblin' all the time; When music's singin' everywhere, And nature pours out rhyme, Just keep on smilin' cheerfully, If hope is nearly gone; Brace up bravely, breathe deep, And keep on a-keepin' on. Elinore Crisler Haynes.

Ted Lewis in Person on the Chicago Stage

Word comes from the Balaban & Katz offices that Ted Lewis, the high-hatted tragedian of jazz, together with his orchestra, will play a personal appearance at the Chicago Theater during the week starting Friday, Sept. 15.

Thus another big Broadway name has been added to the already long list of celebrities who have played at theater during the past few months. The outstanding performers of every realm of entertainment have been presented at the Chicago and the annexation of Lewis' name to that list can be considered a real achievement for Balaban & Katz and in line with their promise to bring nothing but the very best of entertainment to the vast crowds of World's Fair visitors and Chicagoans that are thronging the Chicago Theater these days.

Ted Lewis, a headliner for twenty years, has not lost one iota of his popularity in the process of time. This accomplishment of his has increased immeasurably. He is now considered one of the greatest personalities in show business. Always known as an audience-pleaser, Ted has never been known to put on a dull show. That fact should be the assurance, that his coming appearance will spell c-o-l-a-s-s as far as honest-to-goodness entertainment is concerned. Ted will be ever-present during the festivities and radiating that dynamic personality of his in a manner to delight the heart of even the moodiest patron.

The screen presentation during the week of Sept. 15 reveals America's favorite person, Will Rogers in what is said to be his best role to date, that of "Doctor Bull."

TRADING U.S. BONDS FOR MORTGAGES AT BRISK RATE ACCORDING TO REPORT HERE

Chicago Branch of Home Owner's Loan Corp. Ready for Final Action on 16,000 Applications; Instructions Given

More than 150,000 home owners have sought help from the Chicago office of the Home Owners' Loan Corporation since it began operations six weeks ago under the auspices of the federal government, according to an announcement today by William G. Donne, manager of the Illinois Branch, Home Owners' Loan Corporation, 134 North La Salle street, Chicago.

Fifty thousand more have been given application blanks from the seven downstate Illinois branches of the corporation, which was set up to supply relief to householders with heavy mortgage burdens on their homes. Loans with which to buy themselves out of debt have been made to 200, Mr. Donne states, and 16,000 applications are ready for final action.

Letters of instruction which are handed to applicants when they appear at the branch office, contain the following information:

Bonds For Mortgages

1. That it is the intention of the Home Owners' Loan Corporation to fund the mortgage indebtedness of the applicant by giving the owner of the mortgage, bonds in full settlement of his claims against the borrower.

2. That cash will be advanced for the payment of taxes and assessments and necessary repairs only upon proof that the applicant is unable to make such advance out of his own funds. The same is true of the cost of bringing abstract down, making appraisal, etc.

3. The loan above referred to is made on the basis of 80 per cent of the appraised value, provided the value of the property does not exceed \$20,000.00, and provided that in no case will a borrower be loaned more than \$14,000.00. On all 80 per cent loans made on bonds the rate of interest charged the borrower will be 5 per cent per annum.

4. In cases of dire distress a cash loan will be made on the basis of 40 per cent of the appraised value, but such loans will be made in rare cases only and after a most complete investigation made under the direction of the State manager.

Loans To Save Homes

5. A loan can be made for the purpose of saving the home of a property owner from loss due to the owner's inability to pay back taxes and special assessments and for the purpose of making repairs that are absolutely necessary in order that the building may, when it becomes the subject of a lien, be in first-class repair and condition. Such a loan will be made in cash on the basis of 50 per cent of the appraised value. In the last two classes of cases the interest required to be paid is 5 per cent.

6. The payments on the principal are to be made monthly at the rate of \$8.00 per \$1,000.00, including interest. A period of grace will be allowed in cases of extreme distress where the necessity in the judgment of the Manager requires that a borrower shall be granted an extension of time within which to make the monthly payments.

7. It is advisable that the application be accompanied by a snapshot or picture of the property, together with the last receipt for taxes paid on the property. If the application is not accompanied by the receipt, it must be accompanied by a correct legal description of the property in the space reserved for that purpose in the application.

8. Study the plat and attempt accurately to spot the location of the property. If the alley runs North and South, indicate it by a line. If it runs East and West, do likewise.

9. If you are unable to fill out your application, take it to the Association and ask them to assist you, or apply for this service at the office of the Corporation.

10. In filling out the application, give the date on which the existing mortgage was placed on the property, together with the date of the maturity of the loan. A statement may be attached to the application indicating the extent of your default both in respect to the principal and interest of the indebtedness, as well as taxes, special assessments and liens, if any, for improvements of any kind.

11. Attach in a separate letter a statement indicating the degree of distress of the borrower and the reasons why the borrower is compelled to make the loan.

12. In giving references, designate the name of the person or firm the applicant works for or last worked for.

13. Also indicate whether you are able financially to pay the cost of redeeming your property from tax sales, paying taxes or assessments and the cost of making the loan, such as bringing your abstract down to date, and the like, or whether you are unable to do so, indicate why in the letter telling about your circumstances, penalties prescribed by the Act for false statements in making this application. The penalties prescribed in the Act are printed in the summary herein:

Statements Must Be Correct

Section 8. (a) Whoever makes any statement, knowing it to be false, or whoever willfully overvalues any security, for the purpose of influencing in any way the action of the Home Owners' Loan Corporation or the Board or an association upon any application, advance, discount, purchase, or repurchase agreement, or loan, under this Act, or any extension thereof by renewal, deferment, or action or otherwise, or the acceptance, release, or substitution of security therefor, shall be punished by a fine of not more than \$5,000, or by imprisonment for not more than two years, or both.

(c) No person, partnership, association, or corporation shall make any charge in connection with a loan by the Corporation or any exchange of bonds or cash advance under this Act except ordinary charges authorized and required by the Corporation for services actually rendered for examination and perfecting of title, appraisal, and like necessary services. Any person, partnership, association, or corporation violating the provisions of this subsection shall, upon conviction thereof, be fined not more than \$10,000, or imprisoned not more than five years, or both.

Bonds Enjoy Active Market

15. Address all correspondence to Wm. G. Donne, Manager Illinois Branch, Home Owners' Loan Corporation, 134 North La Salle street, Chicago. Name and address of applicant should be printed on application.

According to Mr. Donne, an active market for the corporation's bonds is assured, the price in present trading being between 92 and 95. The corporation will begin to retire the bonds after several years, it is reported, since it is operating under a clause which allows it to call them in at par on thirty days' notice. It had been generally supposed that the bonds would be allowed to run until maturity, eighteen years after issuance.

CLOSE GRID RACE PREDICTED IN NORTHWEST H.S. CONFERENCE LOOP

(Continued from page 1)

Bensenville plays their opener at home with Palatine providing the opposition. Arlington, Barrington, Leyden and Warren will be other opponents in conference games while Palatine will be playing a second time in a non-conference game.

Barrington Stronger

The Barrington Bronchos have seven lettermen and eight good looking newcomers among sixty candidates who are working out daily under the tutelage of Head Coach Paul E. Clark and his assistants, T. C. Hosford and R. G. Anderson.

Clark considers that prospects have picked up since last season. It would not be surprising if the 1932 record of two wins and five losses were exactly reversed. In fact Barrington looks like one of the three best outfits in the loop on paper.

The Barrington veterans are as follows: Workman, center, 150; Moore, guard, 148; Witte, guard, 160; Short, tackle, 160; Conn, half back, 140; Altenburg, half back, 160, and Brandt, end, 140. New men who look like varsity possibilities are Kuhlman, end, 140; Muir, tackle, 200; Kampert, tackle, 150; Wendt, guard, 140; Wiehman, tackle, 160; Latta, end, 150; Grom, half back, 140 and Librich, half back, 140.

Barrington's rating of most difficult opponents shows Warren, Libertyville and Leyden, Clark appoints his team captain from game to game which seems most satisfactory in the long run.

The Broncho schedule opens Sept. 23 with McHenry, a non-conference foe, with Warren the first loop opponent Sept. 29. Clark has one of the hardest schedules line up that Barrington has ever faced but his outlook appears much better than an even break on wins and losses.

75 Wildcats Report

Seventy-five candidates answered Martin's grid summons at Libertyville last week, but the Wildcats will have a green team with only four lettermen. Perhaps Libertyville's string of conference grid titles will be broken this season. At this time the outlook is the poorest in years.

Capt. Converse at half, Duddles at quarter, Hand at end and Snow at a guard position, round out the quartet of veterans. Coach Martin has some promising rookies in Hogan, guard; Worthen, full back; Brown, half back; Stickles, end, and Bennett, tackle.

Last season Libertyville went through a tough schedule of seven games and chalked up six victories. Coach Jack D. Martin does not see how his team can hope to be as strong as last season and considers Arlington, Warren and Leyden as most likely teams to jolt the Wildcats from the role of champs if anyone can do it.

Libertyville opens the season at Woodstock Sept. 22 and follows with Deerfield and McKinley at home on Sept. 29 and Oct. 6 respectively. The conference schedule starts at Leyden Oct. 13. If Antioch decides definitely to drop football, as is expected, the Wildcats will have but four conference games but they will be with the strongest teams in the league.

An Editor Writes ...from Experience! I'll be glad when we get far enough ahead of the depression that people can all have their telephones again. Last Thursday I had to play fireman in the country south of Milford. A woman with two little children clinging to her skirts rushed out of a front gate and flagged me down. The roof of their home was ablaze in several spots. I carried out a lot of furniture by myself until other help happened along. It was a hot afternoon, too. The house, smoke house, chicken house, windmill and straw stack burned to the ground. A telephone would have saved them. A call to Milford or even Wellington would have brought a fire truck which would have saved most of the loss. But they had no telephone. The nearest house was nearly a mile away and I didn't know whether it had a telephone or not. There wasn't much time to drive around hunting one, so I carried out furniture. The price of the buildings burned would have paid telephone costs for several years. An Editorial By EDWARD BECHLY EDITOR Iroquois County Democrat Watska, Illinois
